Dear Mr Rainey

Suspension of Guildhall College from the Register of Licensed Sponsors

I write to confirm that on 7 April the Secretary of State confirmed his decision to reinstate Guildhall College to the Register of Sponsors (with a B rating).

I am liaising with the Treasury Solicitor (who acts on behalf of the Secretary of State) in order to confirm the technical arrangement for this reinstatement. Whilst I do so, I reiterate that the decision to reinstate Guildhall College immediately was made on 7 April.

If I can be of any further assistance, please let me know.

Yours sincerely
